

**IMPORTANT SAFETY
MEMORANDUM**

To: Parents

From: Larry Giantonio

Re: **Everbridge Notification System**

The agency will be using a new information system called **Everbridge Notification System. (ENS)**

The ENS allows the agency (YAI/MSA) and I, the building leader, the ability to send out a mass message to staff and parents. For example, School Emergency, Building Evacuation, Lockdown. School Closing, Early Snow Dismissal, etc...

You can have up to 4 ways to be contacted.

**PLEASE COMPLETE the form below and submit it to me with your packet.
Thanks in advance for your assistance.**
